Stand out amongst the competition by listing in our *Online Production Directory*, which is used extensively by international production professionals when seeking local goods and services. For Monterey County residents \$40 per listing will show off you, or your company, for one year in our Online Production Directory (full 12 months from receipt) \$60 for non-Monterey County residents.

For the greatest impact add an additional \$30, and you, or your company, can include a picture or logo positioned to the right of your listing. This embellishment can also be linked directly to your website or email. ClipArt, logos, or pictures must be no larger than 120 x 150 pixels, 20 KB, (approx. 1.5" square) or smaller, and in the .jpg or .gif format.

**Personalized Copy** of 200 characters (about two sentences)
