### Moira LaMountain Named Office Administrator at Monterey County Film Commission

The Monterey County Film Commission has named Moira LaMountain as office administrator of the non-profit organization.

LaMountain worked in the executive search field for 15 years, in a range of industries including multimedia and electronic commerce, high technology, manufacturing, pharmaceuticals, professional services and financial services.

Prior to her executive search work, she spent nine years as business analyst and marketing coordinator with A.T. Kearny, Inc., an international management consulting and executive search firm in their Los Angeles office. She helped develop and execute the firm's marketing and strategic business development programs for the Western Region leadership team.

LaMountain has a bachelor's degree in communication studies from UCLA. She is a founding member of HOPE (Helping Other People Eat), an all-volunteer, community-based organization in Santa Monica that since 1992 has provided more than 400,000 meals for anyone in need.

In 2004 LaMountain relocated to Marina from the West Los Angeles area. She has served on the board of The Friends of the Marina Library for five years, including two years as president. She currently serves as treasurer.

###

*The Monterey County Film Commission is a nonprofit organization working to bring economic development in Monterey County through the film industry and provide related educational programs. The commission was created in 1987 by the Monterey County Board of Supervisors.*
