with a glamorous gala at The Beach & Tennis Club at Pebble Beach*

(Monterey, Calif.) -- When the red carpet rolls out this year for the Monterey County Film Commission’s “Hollywood’s Big Night Gala” celebrating the Academy Awards®, guests will be arriving in style at The Beach & Tennis Club at Pebble Beach.

The nonprofit’s 21st annual salute to movie-making will be held on Sunday, Feb. 27, beginning at 4:30 p.m. with a champagne reception. From the red carpet entry to the big screen live telecast of the 83rd Academy Awards® presentation, the glamorous gala gets attendees feeling like they’re stars themselves, and very much a part of Hollywood’s big event. The black-tie optional evening includes the champagne reception, hors d’oeuvres, sit-down dinner, wine, and a benefit silent auction.

Tickets are \$175. For reservations, call the film commission at 831-646-0910. Business sponsorships and program advertising opportunities are available.

The Monterey County Film Commission works to enhance economic development in the county through the film industry, and provides educational programs and an annual film student scholarship.
